Mission Statement
The College of Biblical Studies—Houston provides biblically-based education for the Body of Christ, with primary focus on African-American and other ethnic minority groups, and equips its students with a biblical worldview for Christian service to the church and the world.

Brief History
“CBS is in a jewel in Houston’s crown. There is no other institution that has done what the college has done, and what has been achieved in just 30 years is nothing less than remarkable. Its progress is almost miraculous, and we have a tremendous spiritual foundation needed to lead their congregations in the 21st century. Many have also continued their education by enrolling in graduate-level seminars after graduating from CBS, and several in the Houston area have come to rely on the College of Biblical Studies as a pipeline for well-prepared divinity students ready to pursue masters or doctoral degrees.

Goals
Our vision is by 2020, the College of Biblical Studies-Houston will become the premiere Bible College in Texas focused on transforming a diverse student body to serve Christ and impact families, churches and communities, to the glory of God.

Giving Opportunities
This year our need is $4.4 million including $600,000 designated solely for need-based student scholarships. The businessmen of Houston have enabled CBS to biblically empower those who lead the underserved in Houston. Of the $4 million donated last year, 99% came from Texas and 83% came from Houston businessmen and their companies. In addition to cash and pledges there are several other ways you can help:

- Securities
  CBS maintains a securities account that makes it easier for you to transfer stock or other securities as a gift to the College. Please contact the Development Office at 832.252.4609 for wire transfer instructions. Remember, you can deduct the fair market value of publicly traded securities without paying capital gains tax on the sale of the gift stock.
- Real Estate
  An appreciated gift of property results in the benefits of an income tax charitable deduction as well as other economic advantages for the donor. Because of the unique nature of this type of gift, CBS thoroughly reviews all real estate gifts before accepting them.
- Matching Gifts
  Through corporate matching, charitable contributions can be doubled or even tripled. The process is as simple as completing a standard matching gift form from your employer and mailing it with a gift to CBS.
- Planned Giving
  If you are interested in supporting CBS through a planned gift such as a bequest, a charitable gift annuity, charitable trust, life insurance or retirement plan assets, through a planned gift such as a bequest, a charitable gift annuity, charitable trust, life insurance or retirement plan assets, please call the Development Office at 832.252.4609.
