**Minor: Ministry of the Pastor’s Wife**

**Purpose:** The Bachelor of Science Degree in Women’s Ministry with a minor in the Ministry of the Pastor’s Wife is designed to equip pastors’ wives with a vast array of knowledge and skill in understanding and ministering to women. Students in the Ministry of the Pastor’s Wife program will learn how to develop a philosophy for women’s ministry as well as practical skills to minister and care for other women. Additionally, this program is carefully designed to encourage the pastor’s wife in her personal life as a woman of God and further equip her to sojourn with her husband in ministry. The students will receive biblically-based education with practical life applications so that they can study the Word, apply it to their lives and then teach other women how to do the same. Upon completion of the program, the student will be a stronger asset to her pastor/husband and her local church.
