

BACHELOR OF SCIENCE WITH SPLIT MAJORS IN BIBLICAL STUDIES AND CHRISTIAN LEADERSHIP (BSCL) – ACCELERATED DEGREE COMPLETION

Program Coordinator: (English) Michale Ayers, Ph.D., (Spanish) Joseph Parle, Ph.D.

The purpose of the 120 credit hour program with split majors in Biblical Studies and Christian Leadership culminating in a Bachelor of Science degree is designed to provide Christian leaders with biblical and theological education in order to equip them for a life of vocational or lay service as a leader in the church, parachurch, and/or business. Upon completion of the program, successful students will:

1. Understand and apply the servant leader model for leadership.
2. Develop functional frameworks for effective leadership skills.

Students take only one course at a time in the CBS core curriculum, attending one 4-hour class session, with breakout for small-group collaborative and independent work each week. The courses are accelerated and are five weeks in length. The program is 24 months of four consecutive semesters, requiring 12-15 credits each semester from the CBS core curriculum. Students are members of a continuing class, a cohort group that develops personal, family, ministry, and career interests in an atmosphere of shared learning.

The Bachelor of Science in Biblical Studies and Christian Leadership degree is comprised of upper-division college courses totaling 54 credit hours offered in an accelerated form as follows:

1. The 54 hours consist of eighteen courses.
2. Students' focus will ideally be on one course at a time.
3. The same group of students will progress through the entire program together.
4. At graduation, successful students will have cumulative college-level credits as follows:
 - 54-hours CBS baccalaureate core curriculum—all earned at CBS
 - 36-hours general education courses—transferred-in and/or earned at CBS
 - 30-hours free elective courses—transferred-in and/or earned at CBS
